(Tariff No. 92-195).)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing on September 1, 1992 on behalf of Southern Bell Telephone and Telegraph Company (Southern Bell). Southern Bell sought revisions to its General Subscriber Service Tariff to reflect changes in the tariff to expand the current billing tariff for the telemessaging service providers to billing for all enhanced service providers.

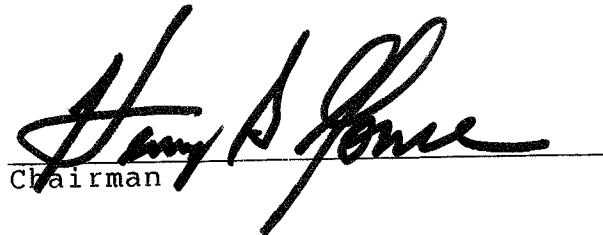

The matter was duly noticed to the public and a Petition to Intervene was filed on behalf of Steven W. Hamm, Consumer Advocate for the State of South Carolina (the Consumer Advocate).

By letter dated January 7, 1993, the Consumer Advocate informed the Commission that based upon a revised tariff filed by Southern Bell in the instant matter that the Consumer Advocate would withdraw his intervention and urge the Commission to approve the tariff.

The Commission has considered the request of the Consumer Advocate, as well as the tariff filing of Southern Bell. The Commission finds that it is in the public interest to approve the revised tariff as filed by Southern Bell. With the withdrawal of the Consumer Advocate's intervention in this matter, and the Commission's approval of the revised tariff, the instant Docket is hereby closed.

IT IS SO ORDERED.
